**Copper State Bolt & Nut Teams with OSG for Expedited Print and Mail Services**

**ENGLEWOOD, NJ – March 11, 2015** –OSG Billing Services (OSG), a leading provider of outsourced billing and statement services and customer communication management, announced today that it will provide complete print and mail billing as well as e-statement solutions to Copper State Bolt & Nut, headquartered in Phoenix, Arizona.

“At Copper State Bolt & Nut, meeting our customer’s needs is of paramount importance to us. We were looking for a new billing partner who could offer our customers reliable and faster delivery of their invoices and statements,” said Carl Spackman, Director of Finance. “We chose OSG because we were very impressed with their knowledge of the industry and with their superior suite of services. It was also very appealing to us that their Western Production Facility is right next door in Tempe.”

David M. Smith, OSG Director of Statement Services, said, “We’re looking forward to working together with Copper State Bolt & Nut. We will be redesigning their transactional documents into customer communication tools using OSG’s proven marketing strategies. We’ll also be creating and hosting an online electronic bill presentment portal for them. We’re excited about the opportunities presented through this partnership. Our business solutions will provide bottom-line benefits for Copper State Bolt & Nut through a redesign of their documents using full-color messaging.”

**About OSG**

OSG is a next-generation business technology partner providing integrated multi-channel print and electronic solutions through a state-of-the-art processing environment. OSG offers comprehensive and flexible solutions including electronic billing and statement services, document printing and mailing and a suite of forward-thinking marketing campaigns. Progressive communication technologies enable OSG’s clients to transform their customer interactions to drive revenue, reduce costs and strengthen relationships.
