FOR IMMEDIATE RELEASE

OSG Billing Services Acquires National Business Systems, Inc.

RIDGEFIELD PARK, NJ – January 21, 2016 – OSG Billing Services (OSG), a leading provider of outsourced billing and statement services and customer communication management, today announced that it has completed the acquisition of National Business Systems, Inc. (NBS), a privately-held industry leader in data and document management, headquartered in Eagan, MN.

Through the acquisition, OSG will be able to further position itself as a leading provider of technology-driven, transactional and customer communications solutions. “The NBS acquisition expands our national footprint, strengthens our presence in the financial services market and expands our business services offerings,” stated Scott W. Bernstein, OSG’s Chairman and CEO.

NBS is a business outsource provider that specializes in solutions for banks, credit unions and manufacturers. They provide both traditional print and mail services as well as electronic document delivery and offer document workflow solutions including document archiving, scanning and microfilm conversion to searchable digital archives.

“Both companies have a ‘customer first’ philosophy,” said John Springthorpe, III, OSG’s President and COO, “and are committed to providing employees with the culture and the tools to be successful in achieving excellence in everything we do.”

“We are really pleased and excited to be a part of the OSG family,” said Joe Tafs, NBS President, who will continue in that role. “Joining forces with OSG allows us to offer new opportunities to our employees, our customers and our partners. We are looking forward to this next phase in our company’s growth.”

About OSG

OSG is a next-generation business technology partner providing integrated multi-channel print and electronic solutions through a state-of-the-art processing environment. OSG offers comprehensive and flexible solutions including electronic billing and invoice/statement services, document printing and mailing and a suite of forward-thinking marketing solutions. Progressive communication technologies enable OSG’s clients to transform their customer interactions to drive revenue, reduce costs and strengthen relationships.

With decades of experience as a business outsourcer for total customer communication management, OSG has the knowledge and expertise to best suit the needs of the telecommunications, leasing, financial services, distribution, healthcare, heating oil/propane and publishing markets. A solid reputation has made OSG an award-winning transactional communication provider.

About NBS

NBS is recognized as a leader in complete data management and document management services. Through highly-skilled employees, perfected workflow processes and utilization of the latest technologies and equipment, companies realize immediate benefits when selecting NBS for their data management and document management outsourcing needs.
