## OSG Turns Twenty, Sets Sights on the Future

Innovative Communication Management Solutions Key to Company's Growth

**ENGLEWOOD, NJ – April 1, 2012** – OSG Billing Services (OSG), a leading outsource provider of transactional communication management solutions, is celebrating its 20<sup>th</sup> anniversary this month.

Over the past 20 years, OSG has evolved from a small transactional document company to a leading provider of outsourced communications management solutions. With its original roots in telecommunications, OSG has expanded to include clients in the equipment leasing, financial services, newspaper, heating/oil and healthcare markets. Twenty years has also seen an expansion of operation facilities in Carlstadt, NJ, Tempe, AZ and New Berlin, WI.

“Over the last twenty years we have consistently focused on providing our customers solutions that exceed their expectations. Our commitment to giving them the latest advances in technology, innovative strategies and the best customer service possible has not changed,” said Scott Bernstein, president and CEO of OSG. “While we are proud to celebrate our 20<sup>th</sup> anniversary, we are also marking the occasion by reaffirming our commitment to our core values of innovation and quality.”

OSG recognizes that each interaction with customers presents an opportunity to improve the experience and nurture and grow the relationship. Through the years, OSG has established strong industry partnerships to create comprehensive multi-channel communication solutions for its customers that will go beyond the transactional document.

“Our customers depend on our technology, capabilities and backend efficiencies every day”, continues Bernstein. “This forward-thinking approach has been the hallmark of OSG’s success for the past twenty years and will continue to be the mindset as we look toward the future.”
